AIA

2009 AIA-DALLAS DESIGN AWARDS

September 23, 2009

Stradway Investments is pleased to announce that **Perkins+Will** and **Gateway Park of Mississippi** have been recognized for architecture and design concepts and named a recipient of a prestigious **2009 American Institute of Architects (AIA)-Dallas Design Award**.

Gateway Park is a planned 200 acre, mixed-use development located in Rankin County, Mississippi, designed by the team of Perkins+Will, among the world's foremost architecture and design firms with 1,500 employees in 20 offices located around the world, and Mohment, an award-winning Dallas-based design and media firm.

Gateway Park is a wholly-owned development asset of Airport Park LLC and Stradway Investments of Jackson, Mississippi.

Distinguished Jurors for the 2009 AIA-Dallas Design Competition Included:

- Thom Powell, Chairman, AIA, Good Fulton & Farrell, Dallas
- Adrian Smith, FAIA, RIBA-Chicago
- Bryan Young, New York
- Angela Brooks, AIA-Los Angeles
- Marlon Blackwell, AIA-Little Rock, Arkansas
- David Riz, AIA-Philadelphia
- Elisabeth Broome, Architectural Record, New York

Special thanks and congratulations to the entire Gateway Park team:
